How many people in Lincoln county can tell the names of the six distinguished gentlemen, whose oil portraits hang in the circuit court room of the court-house? Can you do it?

WE are in receipt of a mysterious letter, evidently sent us by mistake, bearing on the assassination conspiracy. It is dated at London and was evidently put in the wrong envelope.

HELD OVER.—Will Smith, colored, was held over to circuit court in \$150 for stealing a set of harness from Mrs. Mary E. Welch. He sold the bridle to Morris Fred for 15c and the breeching to Henry Logan for 10c, but he will not give an account of the traces.

MORE than 61,000,000 people in India are affected by the famine, and only 4,000,000 are in receipt of relief. No wonder Preacher Allen and other good men are appealing for money to aid in sending succor to the ill-fated people. Everybody should help.

J. H. SMITH, who got eight years for murder in Letcher county, and who was granted a new hearing by the court of appeals, gave bond in the sum of \$3,000 and left for his mountain home. He was here for safekeeping and had been in our jail 96 days.

OLD RAZOR.—Lee Stone, the carpenter, shaves with a razor that has done service nearly a century. It belonged to his father, who used it for 50 years and that gentleman bought it second-handed. Mr. Stone has used it since his father died in 1877, and says it beats the razors made now-a-days all to pieces.

ON A TEAR.—Marshal Newland had a wild goose chase for 13 or 14 miles Sunday. Chief of Police Helm telephoned him to look out for "Billie Barbee," a notorious colored woman, two other women and two men, who had stolen a Danville surry. "Brother" got on the trail, but after following it to Junction City, lost out. It is supposed that the crowd was out on a lark and did not really intend to steal the vehicle.

WON THE PRIZE.—Supreme Commander Marker, of the Order of Macabees, offered a prize to the Supreme deputy who would get into the order the largest number of members during the month of February. He secured 117 new members and the highest number secured by any other of the 46 contestants was 71.

THE Goebel monument fund was swelled by \$16.45 brought in by that good democrat and excellent worker, George D. Weatherford, our Hustonville precinct committeeman. We have by previous report.

Rev. F. W. Allen, of the Christian church, is desirous that the citizens of Stanford and Lincoln county make a donation for the starving people in India.
